

## Semester 1 Goals

Please answer these questions using multiple, well thought out, and complete sentences.

Beginning of 1<sup>st</sup> Quarter:

1. What did you like about science class last year?
2. What did you NOT like about science class last year?
3. What can **you do** to help change the things that you did not like about science class in the past?

("Nothing" or "IDK" is not an acceptable answer.)

Fold along this line

Glue this side of the page

into your ISN on page \_\_\_\_\_

using 6 small dots of glue.

4. What is your grade goal for this semester? \_\_\_\_\_
5. What do you plan to do to make your grade goal possible?

6. **On a separate sheet of paper**, write down the following question and your answer to it.

What do you want me as your teacher to do to help you reach your grade goal?

Beginning of 2<sup>nd</sup> Quarter:

7. What parts of your plan from Question 5 on the previous page did you actually do?

8. Are you on track to earn the grade that you set as your semester goal?

9. If you **are** on track, what do **you** plan to do to ensure that you **stay** on track? If you **are not** on track, what will **you** do ensure that you **get back** on track?
